APOLOGIES: Clint Jolliffe, Vicki Burke. Margie van Zanten

BUDGET: [as of 8/2/17] Expended = \$6074.90, Remaining = \$3,925.10

Business Arising:

1. Tree Planting:

- a. Planting Chinese Elms [37] ~3m-high (3yo) Murray's Form trees and Red Ficalias [13] - 1.4m-high (1yo) planted on Bank St, Church St, Lions Park:

16 staked and 19 to be staked.

EM has made the request to Depot guys to complete this.

Reticulation has been checked and workers are watering all trees with watercart.

- b. Cally St – 11 Pink (Lollypop) Ficalias (Large plants) **to be ordered – EM to arrange for Autumn planting.**
- c. 10 White Crepe Myrtles had died along the racetrack fence due to reticulation not working.
Proposal is to have them replaced at Council's expense (urban trees budget). – Autumn planting.

2. Water filling stations. The DID suggested to install a watering station at the Lions Park and maybe at the school. EM presented examples as well as indicative costs of these filling stations. It was suggested that local businesses could place their business logos on the stations. Cost for the filling station and installation would come from the grant (\$10K), if other funds cannot be sourced.

3. Further work at the Lawn Cemetery: Committee would like to:
 - a. Extend the rose planting along an adjacent fenceline (it seems there are quite a few in our community that are willing to donate more rosebushes and there is some reticulation left over).
 - b. It is proposed to relocate the Pioneer Arch to the gap in the fence. Peter Path will relocate the arch.
 - c. Plant some ornamental pear trees along a fenceline x 3.

- An A5 plaque is proposed to be placed in the rose garden near the front entrance with the following on it:

“This Rose Garden was established by Clint Jolliffe in conjunction with the Balranald Shire Council Beautification Committee on the 19th November 2017. Rosebushes kindly donated by the Balranald Community.

Please pick a rose for Loved Ones.”

Plaque has been ordered. A work request will be sent out to the Works Manager to install this plaque at the correct location.

- Committee endorses the idea raised by EM to commission a mural on the Eastern wall of the Theatre Royal building. EM to engage with Balranald Gallery to get feedback on a theme for the mural. Initial thoughts are an historic riverscape scene depicting a parked wool bale-laden bullock dray and driver against the Murrumbidgee River awaiting transfer of the load to a nearby barge. This is intended to speak to the Wooltrack heritage. Funding for this project will need to be sought once the scope and estimate has been established.
- DID to engage with the various Church denominations to form an agreement on maintenance of the cemetery grounds. There are three offensive trees that are encroaching on gravesites that will need to be removed soon. To be relayed to Works Manager to arrange an arborist to this work.
- DID proposed that relevant NSW funding Grant opportunities be tabled for Committee consideration. DID also proposed an Project Register be included in the meeting minutes. **EM to compile and include.**
- Morton Bay Figs on River/Court St – EM raised the issue of the trees’ limbs and roots encroaching on properties. Trees are an historic feature and need to be preserved however the encroachments also need to be addressed and rectified. EM has been liaising with a level 4 Arborist to arrange a time for him

to visit and meet with stakeholders about what can be done. One tree is struggling due to over-pruning. Date TBA.

New Business

1. Church of England section of cemetery (on the golf club side) has a dead tree which needs to be removed. **EM to arrange a WO to remove.**
