Balranald Shire Council has engaged Fiona Slade Landscape Architect to prepare draft concept plans for the revitalisation of Market Street from We Street to River Street. The project is considering new street lights, street trees, paving, furniture, as well as development of public spaces at the Senior Citizen's Centre frontage and the Theatre Royal car park.

Join us at the Senior Citizen's Centre to have your say on the Draft Concept Design. Plans will be pinned and the Project Team will be available to talk through the design and answer any questions.

If you can't make it on Friday 6th July plans will be available for viewing at the Council offices, Discovery Centre and on the Council website for two weeks until the 20th July 2018.
