23 NOVEMBER 2018

As was expected it's been a very busy last week of Parliament for the year.

Some of the highlights over the past few days have included:

- * A visit to the Standard Ethanol plant just south of Coleambally to hear of their innovative plans for the future.
- * Meeting with the P & Cs from Griffith and Wade High Schools.
- * Visiting the Riding for Disabled Centre in Griffith and seeing first hand the wonderful work that goes on.
- * Meeting with Minister Goward regarding a proposal put forward by the Linking Communities Network for supported rental accommodation in our region.
- * Attending AgDay at Parliament and highlighting to those there the incredible produce that this region grows and provides to domestic and international markets.
- * Presenting the petition to Parliament requesting the reinstatement of the midweek passenger train from Griffith to Sydney.
- * Attending the SRE awards at Parliament House on Thursday night.

This evening I look forward to attending the inaugural South West Music Students awards in Deniliquin.

Tomorrow I'll have the pleasure of unveiling a plaque to celebrate the Finley Historical Museum's 50 years of operation.

All the best for the weekend !

Kind regards

Austin Evans
