Council reviews road conditions twice daily at 10am and 4 pm. More frequent reviews may occur during periods of severe weather. Updates of the 24-HOUR ROAD INFORMATION LINE (08) 8091 5155 and re-issues of the ROAD CONDITION REPORT occur only when road conditions change.

Motorists are advised to travel always according to the road conditions. Council wastes valuable resources repairing damage done by vehicles using closed or wet roads. Offenders may be prosecuted and be liable to pay for any damage caused. Please ensure to check surrounding road condition reports as our unsealed road network connects with other shires.
