

Seniors Luncheon 2020

Thursday (please note the new day!)

20th February 2020, 12noon

You're invited

The Seniors Week Luncheon is for all Balranald Shire residents who are aged 60 years and over, or Aboriginal / Torres Straight Islander 50 years or over, or over the age of 50 and have a life-long disability.

Council is proud to sponsor this annual event, to thank and celebrate our senior residents who bring so much to our community. Please join us for an afternoon of good food and fun activities.

This year's theme is The Roaring 20s, dress up is not compulsory but strongly encouraged; there will be prizes for best dressed lady and gentleman! So please feel free to adorn *Gatsby* style, think flappers & gangsters; fringed frocks, feathers, pearls, top hats, suits and ties. Extravagance abounds!

The Theatre Royal will be transformed into *The Shire Speakeasy*, as Council brings back all the glitz & glamour of prohibition era America, celebrating the fun & fancy.

If you will be attending the Luncheon, please call Council Office to register your attendance no later than 5pm Friday 7th February 2020.

Phone 03 5020 1300.

We regret that late registrations cannot be accepted due to catering requirements.

Please advise of any special dietary requirements when registering.

We look forward to partying like it's 1920 with you.

Reminder: be alert not alarmed about algae!

Residents are reminded that as the warmer weather continues the rivers across our region have become affected by Blue-Green Algae. Currently the Murray, Murrumbidgee, Lachlan, Wakool and Edward Rivers all have some levels of alert at the various checkpoints, as reported on the WaterNSW website.

Filtered (treated/household) water in our Shire remains safe to consume, however unfiltered (raw/outside) water should be used with caution and physical contact avoided by both humans and pets/stock. Caution should likewise be applied when engaging in recreational activities at the rivers.

Please check <https://www.watersnsw.com.au/water-quality/algae> for up to date water quality information, including an easy to use map (as pictured above - image current at 22 January 2020) or contact the NSW algae hotline on 1800 999 457.

RED ALERT These alert levels represent 'bloom' conditions. Water will appear green or discoloured and clumps or scums could be visible. It can also give off a strong musty or organic odour. Algae may be toxic to humans and animals. Contact with or use of water from red alert areas should be avoided due to the risk of eye and skin irritation. Drinking untreated or boiled water from these supplies can cause stomach upsets. Alternative water supplies should be sought or activated carbon treatment employed to remove toxins. People should not fish when an algal scum is present. Owners should keep dogs away from high alert areas and provide alternative watering points for stock.

AMBER ALERT Blue-green algae may be multiplying and the water may have a green tinge and musty or organic taste and odour. The water should be considered as unsuitable for potable use and alternative supplies or prior treatment of raw water for domestic purposes should be considered. The water may also be unsuitable for stock watering. Generally suitable for water sports, however people are advised to exercise caution in these areas, as blue-green algal concentrations can rise to red alert levels quickly under warm, calm weather conditions.

GREEN ALERT Blue-green algae occur naturally at low numbers. At these concentrations, algae would not normally be visible, however some species may affect taste and odour of water even at low numbers and does not pose any problems for recreational, stock or household use.

Take your trash – keep our rivers clean

Balranald Shire Council is targeting litter reduction in 2020 and you can be part of the solution. 'Don't be a Tosser!' It's a simple message, but many people make excuses to justify their littering behaviour. This summer, you may be enjoying an icecream, a cold drink or having a picnic with family and friends by the Murray River. Please think about your rubbish and put it in the bin.

We are working to reduce litter in 2020 by stepping up litter enforcement patrols at recreation reserves and other high use areas. We are installing a new compactor bin at the Euston Riverfront Reserve and increasing signage to help you dispose of rubbish properly, so it doesn't end up in our Rivers and waterways.

Compactor bins are an innovative solution to prevent litter blowing out of bins. These bins also improve waste management efficiency by compacting bin waste and sending electronic alerts when they need emptying.

Balranald Shire Council is a member of the Riverina and Murray Joint Organisation (RAMJO) Murray Waste Group which received funding from the NSW EPA 'Waste Less, Recycle More' initiative funded from the waste levy to reduce litter entering the Murray River.

You are encouraged to report littering by registering with the [Report to EPA website](#) and sharing the message 'Don't be a tosser!'. For more information on this project please follow Balranald Shire Council on Facebook and social media <https://www.facebook.com/BalranaldShireCouncil/> <https://twitter.com/balranaldshire>

Take our survey

We want your help to understand why people litter in our communities. Take our 5 minute community survey to help us target high litter areas along the Murray River. Head to the below address to complete the survey and find out more about our litter reduction efforts. <https://www.surveymonkey.com/r/CFB9KDT> Survey closes 31 January 2020.

Market Street Revitalisation

How exciting to see the main street upgrade really taking shape; it's all coming together now! Concrete construction works surrounding the Royal Theatre have been completed. Lush green lawns have been planted with a supporting water reticulation system installed. Street furniture installations are still to come as picnic tables will be added to the area. Also still to come is the establishment of garden beds around the perimeter of the lawn, which will feature a combination of several advanced trees, smaller shrubs and planter boxes. It will be a greenspace to envy.

The Senior Citizen parklet area has been a hive of activity, existing pavement has been demolished and construction will soon begin. Meanwhile at the *Steady Chameleon* "Swampy" has begun to take shape, Council looks forward to the grand unveiling.

The next milestone in the Market Street Revitalisation project is the demolition and construction of the medians between Mayall and We Streets. These works are scheduled to commence on Thursday 30 January 2020. For the duration of these works traffic management procedures will be in place to control the flow of traffic through the work zone. Between 7am and 5pm the southbound lane (towards Euston) of Market Street will be closed in this block. Traffic lights and stop/slow bat ('lollipop') operators will be in place. Please respect the directions of workers and adhere to speed limits as posted.

Throughout the works there will be restricted street parking in the CBD, however the Balranald Ex-Servicemen's Club has kindly volunteered use of the Club's parking area during the construction hours. Council extends our gratitude for this opportunity and asks that people have patience and courtesy when utilising the area, again, please adhere to directives of workers.

Additionally, all heavy vehicles shall be diverted to the bypass for the duration of works.

Council thanks all residents and visitors for their patience and co-operation throughout this busy construction period. We are in the home stretch of the project now. Exciting times ahead!

**You could save yourself a few minutes.
Or save somebody's life.**

Slow down to the posted speed zone whenever you see roadworks
and help keep Australia's roadworkers safe.

Seniors Luncheon 2020

Please see the
attached flyer for all
the details about the
Seniors Luncheon.

Please be sure to
register by the due
date, **Friday
7th February 2020.**

To register, or for
further information,
please call Council's
office on 5020 1300.

Expression of Interest - Catering

Throughout the year Council requires catering services for a variety of functions, including: breakfasts, morning/afternoon teas, finger food, lunches, formal and informal dinners.

Council is now compiling a register of businesses/organisations across the Shire to invite to quote for functions in 2020.

If your business/organisation would like to be considered for catering work in the upcoming year, please contact Council via email with the following details:

Business/Organisation name:
ABN*:
Types of catering provided:
Contact details:

Please email council@balranald.nsw.gov.au by Friday 14 February 2020.

*only businesses/organisations with an ABN are eligible due to accounting practices of Council

From the
Mayor's Office

My thoughts at this time are with those affected by the bushfires, sending prayers for their health and best wishes as those communities begin to rebuild from this tragedy. My thoughts are also with all our firefighters, I am aware that some of our local residents have been deployed in many roles; volunteer firefighters, nurses, emergency services personnel and park & wildlife staff. To those deployed, please, keep safe, and know we are here to help however we can.

On a lighter note, on behalf of Council and the community I extend commendations to Kylie Jolliffe and the New Year's Eve Committee. It is a joy to sponsor this event each year, and a big loss to our community as Kylie steps down after 13 years of service. We thank you for tenure at the helm, and I hope to see a new committee step up to take on this event.

Commendations also to Turps, Wyn and everyone involved in bringing to fruition the Men's & Women's Health event; "Take a break, help a mate". Such a valuable event, huge congratulations on putting this together, job well done!

Did you see the media release for the RAMJO led, EPA funded compactor bin for Euston? To be installed at the riverfront as part of a combined Murray campaign!

Next Ordinary Meeting of Council

The next meeting will be on:
18 February 2020, 5pm
in Council Chambers

From the
Youth Mayor

Hi all,

I hope that everyone had a fantastic Christmas, and are ready to have a great new year!

On the 18th of December, the youth council held a pool party. We are thankful to everyone who attended. We would specifically like to thank Zoe Griffiths for helping us in planning and organising the event. I would also like to thank Nigel & Wyneta Dalton for making pizzas for everyone to enjoy. A further congratulations to the 'Daltons' team for winning the prize for the highest score from the activities on the night.

A reminder that we have our ongoing recycling programme where you can donate your bottles and cans worth 10c to our collection point at the O'Connor Street Depot. Any donations are appreciated.

-Jackson Bialobrzewski, Mayor, Balranald Youth Council

Sports Multi-Purpose Centre Upgrade Project

Construction works are nearing finalisation on the Balranald Sports Multi-purpose Centre (footy shed), the air conditioning system has been upgraded and by the time you are reading this publication the interior painting of the kitchen and main hall will also be finished!

In early February installation of new carpet and vinyl in the main hall and kitchen area will commence.

2019 Christmas Lights Competition Winners

Congratulations to Daniel Woolhouse (1st place), Amber Williams (2nd place) and Natalie Hussey (3rd place) the winners of Council's 2019 Christmas Lights Competition. Your light displays were spectacular and a joyous show of holiday spirit. Thank you to everyone who entered, the Shire was brilliantly illuminated for the Christmas season.

Did you get a puppy for Christmas?

If so, lucky you! Now is the time to start getting organised because by six months of age your new pup must be registered. In NSW registration is a once-only payment that covers your dog for its lifetime (in NSW). Your dog will need to be microchipped to be registered, if this hasn't been done yet your vet will be able to perform this simple procedure. Also you may wish to consider the benefits of de-sexing your dog, one of which includes a substantial discount in the registration fees. Please discuss this with your vet, who can provide you with all the information you should know when deciding about de-sexing, as well as immunisations and other health items your puppy will need and that you, as a responsible pet owner, should know about.

Microchipping and registering your pet is the best way to make sure your furry friend is reunited with your family in the event it becomes lost.

For more information about pet registration please visit <https://www.petregistry.nsw.gov.au/> or contact Council Office.

**Volunteer Bus Drivers
Expressions of Interest
Medium Rigid Drivers Licence Training**

In early 2019, Balranald Shire Council secured funding through Transport for NSW's "Transport Access Regional Partnerships" Grant Program.

The "Building Resources for Balranald" funding stream will wholly fund training for participants to enable them to obtain their Medium Rigid Drivers Licence. These people will then be required to volunteer a minimum of 30 hours driving so that isolated and disadvantaged people in the Balranald Shire can have access to services or social events. We are seeking 12-16 participants on a "first come first serve" basis.

Moore's Bus service will be coordinating the training that will commence in February sometime (dates to be confirmed). At this stage, we are gathering expressions of interest for the training.

If interested please contact Tamika Moore Ph 0478 688 627

Extended Library Hours

Council is pleased to announce that the library hours have now been extended, creating greater opportunity for our residents and visitors to utilise our resources. Our library facilities are now open Monday and Friday from 9.30am to 5.30pm (closed for lunch from 12-1pm) and Wednesday from 9am to 5.30pm (closed for lunch from 12-1pm).

Come down and make use of the public computers, free wifi, huge range of books, ebooks, magazines and more. We even have a toy box for the kids to have a play while you browse. Want a book that's not on the shelf? We might be able to get it in, ask our friendly staff for more information.

Not a member? Join today, it's free! Check it out, corner of Market & We Streets, Balranald.

Reading is food
for the soul

and here at the library, it's free!

Are you under 25 & starting your career??

The **Country Education Foundation of Balranald** has opened its annual grants round **for all young people** living within the Balranald Shire (including the towns of Euston, Balranald and beyond).

If you are transitioning from school (or a gap year) into your career, are aged 16-25yrs and **need some financial support in meeting your career goals** then go to the Country Education Foundation Australia website: <https://cef.org.au/apply-for-a-grant/> and select the 'Student Registration' button to complete an application form for the **Country Education Foundation of Balranald**. For questions or concerns call / email Rachael Williams 0416 201643 / rachael@locallogicplace.com.au

Applications must be completed online and received by COB **5pm Friday 14th February 2020** (late applications will not be accepted).

Grants to our local young people are made possible with financial support from key local sponsors including Balranald Shire Council, Balranald Inc., Balranald ICPC and Balranald Murrumbidgee Fishing Classic.

News from the Art Gallery

Anne Frank - Let Me Be Myself

The art gallery has the Anne Frank Exhibition titled "Let Me Be Myself" opening mid-February and continuing until 25th April. *Let Me Be Myself* is an exhibition that enables visitors to identify with the personal story of Anne Frank. The exhibition connects the personal story of the Frank family with the important historical events of the time. The rise of the national socialists, the isolation and discrimination of the Jewish population, eventually escalating in the Holocaust. The second part of the exhibition centres around contemporary subjects. Five colourful modules contemporise the story of Anne Frank, showing how it is still relevant in today's society. With discrimination still taking place on a daily basis all over the world, the youngsters who are shown in the exhibition speak about themselves and how they deal with today's prejudices and discrimination. The contemporary part is complemented by a short film.

Coming Workshops - Dates TBC

- Jewellery Making Weekend (Day 1 Mosaics, Day 2 Felted)
- Hat Making
- Macramé
- Fluid Art.

Whole Town Garage Sale

Saturday 8th March, to coincide with Victorian Labour Day holiday. Register your interest now, please phone 0418 316 347

Local Land Services

Landholders are encouraged to attend an upcoming information session where Western Local Land Services District Veterinarian, Trent McCarthy, and Elders Livestock Production Manager, Rob Inglis, will provide an overview of ewe health considerations for pregnancy and lactation.

Topics covered at the sessions include:

- benefits of scanning
- how to best utilise your scanning data
- nutrition of the pregnant ewe

Landholders are encouraged to share knowledge and bring along any questions regarding ewe health, or any other animal health topic, which Trent will happily answer.

In addition to ewe health, an update will also be given on water quality which will include:

- how to complete a water test
- interpret the results
- manage your water quality

Dates and locations:

All sessions will commence at 10 am and finish at 3 pm.

Wednesday, 12 February at 'Tin Tin', Balranald
Thursday, 13 February at 'Bellevue' Ivanhoe
Friday, 14 February at 'Furlong' Hillston

Lunch will be provided
Please RSVP by 7 February for catering purposes to Tanisha Shields.

Ph 0447 642 131 or email tanisha.shields@lls.nsw.gov.au

BIN COLLECTION

As previously advised, waste must be confined to allow the bin lid to fully close at the kerbside pickup.

Overfilled bins result in littering and will not be collected by the contractor. Waste placed on the ground around the bin will not be collected.

Please ensure your bin is put out on the kerb the night before collection.

Balranald: Mondays

Euston: Fridays

Residents are encouraged to make use of the various Youth Council collection points for eligible recyclable bottles and cans.
