## VISITOR CENTRE UPGRADE

Fresh concept plans have been prepared for the redevelopment of the Visitor Centre that meets the available budget. The project will incorporate the three existing buildings into a more integrated facility and improve visitor access and experience. Tenders are now invited for a design team to complete tender documentation for the project. The project will commence in late 2021 with a June 2022 completion date.

## UPDATE ON WALKING TRAIL

The construction of the walking trail on the southern side of the Murrumbidgee is now completed.

Workers have started the section on the Swimming bend reserve.

It will progress along the river bank and head to Court Street through April.

## FROM THE YOUTH MAYOR

Hello everyone!

I am excited to announce that Youth Week is almost upon us! This year it will occur between the 16<sup>th</sup> and the 24<sup>th</sup> of April. Plans for the very first 'The Colour of Sound Youth Music Festival' are officially underway! We have been busy developing this event, and can't wait to announce the acts that will be playing! There will be a BBQ (\$2 for a Sausage, \$2 for a Drink/ Slushy, Popcorn \$2), open mic, painting and artworks, a bouncing castle and some fun activities! Kids under 10 will require parental supervision. All this and more will happen at the Balranald River Loop – Friday the 16<sup>th</sup> of April 2021, with the event starting at 11am, and finishing at around 5pm. Information given is subject to change, there will be two sign-in points located at either entrance of the River Loop. We can't wait to see you there!

We have some other plans for Youth Week developing each day, including a fun 'Movie

Night Spectacular!'. We hope to reveal plans for these events soon! So, stay tuned!

Recently we have celebrated 'Harmony Week'. During 'Harmony Week' we celebrate the cultures of our friends, family, communities and everyone else around us. It is important to acknowledge the cultures around us and our history, as we reflect on it to guide our future. Let's think about: Why did we do this? What can we do better? And how can we do better? Let's continue to be kind to each other, respect each other, care for each other and move to create a better country – where we are free and equal and live - in a fairer society.

That's all from me - stay safe, be kind!

Jackson Bialobrzeski

## CADELL ALMOND FARM VISIT

Council were recently invited to tour the Australian Farming Services (AFS) facilities at Canally and Cadell.

It was a fascinating day in which we got to see the extent and breath of the investment by AFS into the locality. The facilities are immaculately kept with no expense spared and managed in a highly professional manner. David also outlined their expansion plans for the next few years and highlighted the need for a stable workforce. They will need to double their permanent workforce in the next few years. AFS have asked Council for their support and assistance in developing the workforce across the region

- DA 40/2021 – Proposed Irrigation Pump Station Reinstatement – Southern Bank Murray River, off Malaya Road, Robinvale (Applicant: James Golsworthy Consulting)

## INFRASTRUCTURE UPDATE

### Roadworks

Work continues on reconstruction of **Marma-Box Creek Road** and improvements to the **Weimby-Kyalite Road**. Works will resume shortly on widening and sealing of a 2km section of **MR514 (Oxley Road)** and completion of the formation widening on the "missing link" section of **MR67 (Ivanhoe Road)**. Tenders have been invited for the widening of **MR296 (Kyalite-Moulamein Road)** from the caravan park to the Shire boundary.

Council have had some feedback in relation to a section of the Marma Box Creek Road that is currently being reconstructed. A decision was made as part of this project to utilise, where possible, existing road material and that through other improvement works would enable works to be completed more efficiently. This approach did not work for this section and required removal. This decision has now been received and amended. This project is fully funded through Fixing local Roads program.

### Bidgee Haven Hostel

Tenders for this project were higher than Council's budget, and as a consequence Council resolved on 16 March not to accept any tenders. However, it was also decided to enter into negotiations with a preferred contractor, RTM Constructions of Swan Hill, to seek cost savings that might enable the project to proceed. At the same time, Council has applied for additional funding and is progressing an independent business case in line with the Office of Local Government infrastructure investment requirements. Once the outcome of each of these initiatives is reported to Council, a decision will be made as to how to proceed with the award of a contract.

### Riverfront Development

Construction continues on the **riverside walk**, expected to be finished by the end of April 2021. Consideration is now being given to which elements will be adopted as part of the town side riverfront development, based on ideas developed by the project reference group in 2019. This decision is necessary through the detailed design of the second foot bridge taking into account all abilities access. To construct a bridge at this time would considerably exceed the existing available budget and as such has been deferred pending future funding opportunities.

### Creative Learning Centre

Tenders will be invited shortly for construction of the Centre, adjacent to the Balranald Art Gallery. This will be completed by the end of 2021.

### Greenham Park

Tenders will be invited shortly for the construction of new football change rooms in consultation with Balranald Football Club. Tender documents are also being finalised for the construction of new tennis courts.

### Other projects

Upgrading of the **Ben Scott Memorial Bird Walk** is substantially complete, awaiting new signage to improve visitor awareness of this attraction.

In consultation with the Balranald Beautification Advisory Committee, a design has been selected for a toilet at **Balranald Cemetery**

Proposed toilet at Balranald Cemetery

Work continues on a number of **water and sewer** upgrading projects in both Balranald and Euston.

Various initiatives in Euston are in hand including master planning of **town entrances and signage**, improvements to the **riverside walking trails** and the **recreation reserve** and preparations for traffic calming measures in **Bertram and Taylor Roads**.

Tenders will be called shortly for drainage improvements and sealing of **Purton Lane**, Balranald.

## TENDERS AND QUOTATIONS

Council frequently uses local contractors to provide services across a range of functions. The following is a list of current or upcoming requests for tenders or quotations.

### **Now open:**

(T) Widening and sealing of Main Road 296 (Kyalite-Moulamein Road) – closing 8<sup>th</sup> April 2021

Panel contract for hire of plant and equipment – closing 22<sup>nd</sup> April 2021

Panel contract for building trades – closing 29<sup>th</sup> April 2021

### **Upcoming within the next 4 weeks:**

Supply and installation of stock grids on various roads

(T) Line marking and reflective pavement markers on Main Road 67 (Balranald-Ivanhoe Road)

Design and construction of football change sheds at Greenham Park, Balranald

Master planning of approaches and public spaces at Euston

(T) Design and construction of a Creative Learning Centre at Balranald Art Gallery

Construction of new tennis courts at Greenham Park, Balranald

Design and documentation of modifications to the Discovery Centre complex, Balranald

Drainage improvements and sealing of Purton Lane, Balranald

Installation of heating to Theatre Royal, Balranald

Supply of furniture and a storage facility at Greenham Park Hall, Balranald

Construction of fencing at Anzac Park, Balranald

Supply of 3 light vehicles

Installation of signs and furniture on Euston walking trails

(T) indicates that documents for this item can only be obtained from the TenderLink website [www.tenderlink.com.au](http://www.tenderlink.com.au). Documents for all other items can be obtained from Council as they become available – Council will advertise this via the Council website and Facebook page.

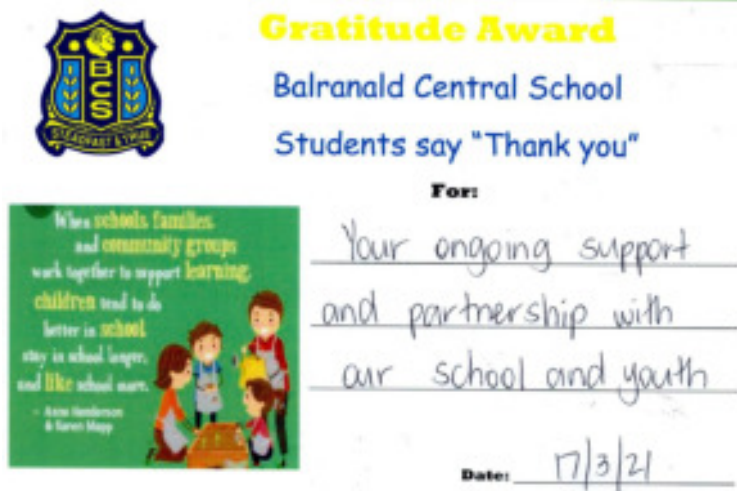

## BALRANALD CENTRAL SCHOOL VISIT

Council Administrator Mike Colreavy and General Manager Oliver McNulty attended the Central School end of Term 1 assembly on 17th March.

At this assembly the school celebrated Harmony Week with Students, Teachers, staff and families taking part in the celebrations.

The General Manger spoke briefly about growing up in Ireland and about the history of St Patrick as it was also St Patrick's Day.

The highlight of the celebration for Council was accepting this Gratitude Award from the Balranald Central School Students.

## PUBLIC NOTICE – PROPOSED TRAFFIC CALMING BERTRAM AND TAYLOR ROADS, EUSTON

Balranald Shire Council gives notice of its intention to install raised thresholds ("speed humps") in Bertram and Taylor Roads, Euston as a traffic calming measure. This action is being taken in response to repeated resident concerns over the safety issues posed by speeding vehicles seeking to bypass the main highway route through Euston.

Details of the proposed location of the thresholds and associated signage can be found on Council's website or on the public notice on display at Euston Post Office. The locations are also clearly marked on the roads in question.

Submissions on this proposal are invited from the public, to be received by close of business on Wednesday 14 April 2021. Public submissions and a final decision on the proposal will be considered by Council at the April monthly meeting to be held on 20 April 2021.

Council are leading a project to increase the communities resilience to Climate Change.

As part of this project it is essential to get feedback from rural community members about how they manage water supply.

To take part in this project and to assist in developing and understanding of issues please complete this survey.

## CLIMATE CHANGE ADAPTIVE PRIVATE DOMESTIC WATER SUPPLIES ON RURAL AND REMOTE PROPERTIES

Dear Resident

***Council is inviting people in the Shire who use private household water supplies to participate in a FREE WATER QUALITY TESTING PROGRAM.***

This is part of the *Increasing Resilience to Climate Change Project* and includes household water supplies on rural properties and residents of towns with private rainwater tanks. As a health risk reduction measure, Council is encouraging householders to test their water for bacteria.

If you wish to participate in the **FREE WATER QUALITY TESTING PROGRAM** could you please complete the proforma below and return it the reply paid envelope. Do-it-Yourself (DIY) test kits will be provided **FREE** for this initiative.

The test kits will include full instructions on how to undertake the test and where the result is to be sent. We will need a simple YES or No answer on whether bacteria is present in your water. Your response will be acknowledged and if required suggestions made for further action. Data will be aggregated and included in the IRCC Final Report as a collective figure, ensuring privacy is secured.

***The BSC Private Water Supplies Questionnaire Survey is being extended into 2021.***

Many residents on rural properties completed and submitted the **Private Water Supplies Questionnaire Survey** in late 2020. If you haven't already done so, we hope that you to undertake the Survey using the attached Questionnaire. The reply paid envelope is provided for you to return the completed document.

**We would like to have your completed FREE WATER QUALITY TESTING PROGRAM proforma and questionnaire by Friday the 23 of April.**

OR---here is the url for the survey

<https://www.surveymonkey.com/r/DGDQWVB>

Yours sincerely

General Manager

**BECOME A MENTAL HEALTH FIRST AIDER**  
 to support friends, family members, colleagues and others  
 About 1 in 5 Australian adults experience a common mental illness each year. Mental Health First Aid (MHFA) training will teach you practical skills to support someone with a mental health problem. Make a real difference to people in your community.  
**STANDARD MHFA TRAINING BENEFITS**  

KNOWLEDGE	CONFIDENCE	DE-STIGMATISING	SUPPORT
Improves knowledge of mental illnesses, treatments and first aid actions.	Increases confidence in providing first aid.	Decreases stigmatising attitudes.	Increases the support provided to others.

*"I enjoyed learning the skills to be an MHFAider. The content was interesting and the facilitators made me feel at ease, even with the more sensitive content."* - Georgia

**LEARN PRACTICAL FIRST AID SKILLS**

- Recognise common mental health problems
- Provide initial help using a practical, evidence-based Action Plan
- Seek appropriate professional help, and
- Respond in a crisis situation

This is a 12-hour educational course, not a therapy or support group.

**DATES** 15th and 16th April 2021  
**TIMES** 9am-4.30pm  
**COST** FREE includes Lunch

## COMPLIMENT OF OUR TOWN

Good morning Balranald Council,

I would like to compliment you on your beautiful little town! As frequent Caravaners having travelled extensively around Australia, and currently with a group of friends, it was a pleasure to spend a couple of days looking around Balranald while we stayed at your local caravan park. We had intended to only stay one night but were so impressed we stayed for two! We travelled to the Homebush Pub for lunch, enjoyed the walks and views of the river, visited the art gallery, ate at the Discovery Cafe (great food and coffee), and shopped within the town. We were all very impressed by the friendliness of the locals and the presentation/tidiness of the town. Well done and thank you for a lovely stay. We hope to be back some time soon.

Megan McQuillan

### Teacher Director—Euston

Permanent Full Time Role based at our LiveBetter Preschool in Euston, as part of our Child & Youth Team.  
Be challenged - Play a lead role in ensuring the continuing success of Euston Preschool, a key community resource vital to the local community  
Lead a team of passionate staff who are committed to providing high quality early childhood education About LiveBetter Community Services.

LiveBetter Community Services are one of the largest regionally based providers of community services in Eastern Australia. We strive to enable the people of regional Australia to live their best lives. We know that our staff are our greatest asset.

#### About the Role

LiveBetter Preschools have a reputation for empowering their communities and for providing supportive, inclusive, and positive learning environments. The role will oversee the operations of the service and lead, guide and support a team which provides high quality early childhood education and care to children.

#### How to Apply

To apply for this role you must provide as part of the online application process <https://livebetter.org.au/jobs/>:

- A cover letter that addresses each of the above-mentioned selection criteria; AND
- An up-to-date copy of your resume.

**Closing date:** 11:59pm, Wednesday 24<sup>th</sup> March 2021

**Enquiries:** Jenny Nalder – Operations Manager Child & Youth: 0428 620 236

### Preschool Educators – Euston

Are you Cert III or Diploma Qualified Educator and looking to be a part of a key community resource based in Euston?

Do you fancy the flexibility of a casual role and an opportunity to join our dedicated and supportive Child & Youth Team?

Some of the perks of working at LiveBetter? Rewards, recognition and wellbeing initiatives. LiveBetter will be launching further exciting initiatives throughout 2021!!!

#### About the Role

LiveBetter Child & Youth Services have a reputation for empowering their communities and providing supportive, inclusive, and positive learning environments. Euston Preschool provides high quality early childhood education and care to children. Euston Preschool is a well-resourced, not for profit, early childhood centre, based in Euston NSW. As an Educator you will be an integral part of a team of passionate staff who are committed to providing high quality early childhood education and care. The preschool remains a community owned service- however is now managed and supported by LiveBetter - Child and Family Services. An experienced early childhood sector specialist supports and mentors the team of staff at the preschool to achieve the best outcomes for children and families who attend the service.

#### How to Apply

To apply for this role, you must provide as part of the online application process <https://livebetter.org.au/jobs/>:

- An up-to-date copy of your resume.
- Responses to our mandatory questions. (You will be prompted to do this).

**Closing date:** 11:59pm, Sunday 28<sup>th</sup> March 2021

**Enquiries:** Jenny Nalder, Operations Manager Child & Youth: 0428 620 236

### Transport Service Officer - Balranald
