

Balranald - Island Road flooding

Prepare to isolate

Watch and Act

Issued: Sunday 27 Nov 2022 5:01 pm

Next update: Wednesday 30 Nov 3:00 pm or as the situation changes

The NSW SES advises people in the following area(s) to **PREPARE TO ISOLATE** Murrumbidgee River at Balranald Weir Downstream may peak near 7.40 metres from next weekend (3-4 December), with major flooding. :

- Island Road, Balranald - outside the levee

You should monitor the situation and prepare to be isolated by floodwater. Consider the effects isolation will have on family, work, and educational commitments.

You may be trapped without power, water, and other essential services and it may be too dangerous for NSW SES to rescue you.

What are we expecting?

Island Road, Balranald - outside the levee may be cut.
Low-lying roads will be flooded.
Culverts and Causeways will flood

What you need to do:

- If you have a Home and/or Business Emergency Plan, use it now. Otherwise, have a conversation and plan for what you will do and take with you if you need to evacuate.
- Be prepared - you may be isolated for an extended period of time. Make sure you have essential supplies prepared to last for at least three to five days, including food, drinking water, medications, pet food, and animal feed.
- Be prepared - you may lose services including power, communications, water, sewerage, and gas. Relocate waste containers, chemicals, and poisons well above the flood level.
- Companion animals and livestock should be relocated to higher ground that will not become an island.
- Monitor the situation closely for updates on rain and river conditions.
- Share this information with family, friends, and neighbours, and help others prepare for isolation where possible.
- If you are isolated and require resupply, contact NSW SES on 132 500.
- Contact your Local Land Services Office for rural animal and livestock assistance at lls.nsw.gov.au or call 1800 814 647

For more information:

- Listen to your local ABC radio station which can be found at reception.abc.net.au.
- ABC Radio National, ABC Swan Hill, Triple M or your community radio station.
- Follow us on social media [@NSWSES](https://twitter.com/NSWSES) or visit our website at www.ses.nsw.gov.au
- Learn about your risk at www.ses.nsw.gov.au/knowyourrisk/
- Check latest weather, warnings, rainfall and river heights at bom.gov.au/nsw/
