

Koraleigh flooding Monitor conditions Advice

Issued: Wednesday 11 Jan 2023 9:07 am

FINAL UPDATE

The NSW SES advises people in the following area(s) to **MONITOR CONDITIONS** of the flooding on the Murray River:

- Koraleigh

You should monitor conditions by checking warnings issued by NSW SES on their website and Facebook page, listening to your local ABC radio station, and following the latest weather information from the Bureau of Meteorology online.

What are we expecting?

The Bureau of Meteorology advises upstream floodwaters are causing prolonged flooding along the Murray River.

Low-lying areas may remain impacted by the recent floodwaters. Roads, causeways and culverts may have been damaged.

What you need to do:

- Consider the consequences of road and bridge closures. Damage to roads, bridges or buildings caused by flooding and landslip may still exist in your area. Consider the need to make alternate arrangements for work, children, and travel.
- Be aware of road hazards including mud and debris.
- Remain vigilant as there could still be water in low lying areas.
- Obey all signs about road closures and instructions from emergency services.
- Never drive, walk, ride through, play or swim in flood water - it is dangerous, toxic, and may void your car insurance. If it's flooded, forget it. Fines may apply.
- Avoid storm drains and pipes, ditches, ravines, creeks, and rivers.
- If you are isolated and require resupply, contact NSW SES on 132 500.

For more information:

- Listen to your local ABC radio station which can be found at [reception.abc.net.au](https://www.abc.net.au/reception).
- ABC Riverina, ABC Swan Hill/Mildura, ABC Goulburn Murry, 3SH/Mixx FM, Edge/2QN
- Follow us on social media [@NSWSES](https://www.facebook.com/NSWSES) or visit our website at www.ses.nsw.gov.au
- Learn about your risk at www.ses.nsw.gov.au/knowyourrisk/
- Check latest weather, warnings, rainfall and river heights at [bom.gov.au/nsw/](https://www.bom.gov.au/nsw/)
- Check road closures at [livetraffic.com.au](https://www.livetraffic.com.au) or [132 701](https://www.132701.com.au) or your local Council.

For emergency help in floods, storms and tsunamis, call the NSW State Emergency Service on [132 500](https://www.132500.com.au). In life threatening situations, call Triple Zero (000) immediately.
