On Tuesday 15 April 2025, Ashleigh Goonde, one of the agency Registered Nurses left Bidgee Haven Retirement Hostel, This was her departing message which she has asked if we could put it in our Newsletter

To My Beautiful BGH Family,

As I sit down to write this, I find myself holding back tears — not of sadness, but of immense gratitude. As I sit here, it still hasn't fully hit me that this chapter is coming to a close. Tomorrow, I'll walk out of this place for the last time (maybe) — not just as a nurse ending a contract but as a woman forever changed. **Arrived 16 April 2024 & Finished 16 April 2025 this kind of Fate.**

I arrived in Balranald during one of the most fragile times of my life. I had just left my marriage, uncertain of everything — my future, my strength, my path. And then I found myself here, wrapped in the warmth of this small town and the kindness of each and every one of you. You didn't just welcome me — you *held* me. You reminded me that I was never alone. It was here that I began healing. It was here that I rediscovered who I am. And it was here, in the quiet moments between shifts, that Vinci Valour was born — a business built on the very essence of what I found in Balranald: strength, beauty, and rising from the darkest place.

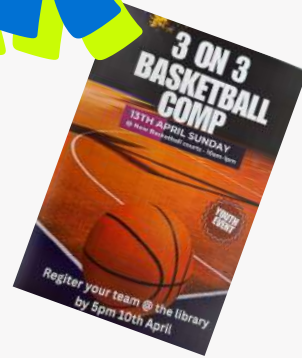

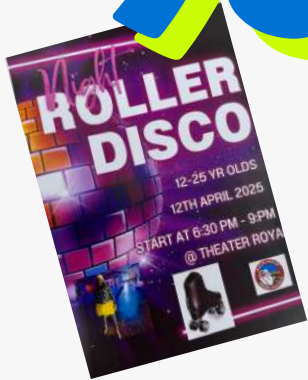

Working alongside you all has been one of the greatest honours of my nursing journey. For the first time in my career, I felt truly seen, valued, and cared for like family. You brought joy to my every day, laughter into hard moments, and a sense of belonging I will carry with me forever. You gave me more than just a job. You gave me family. You gave me joy. You gave me room to rise again.
