

BALRANALD SHIRE COUNCIL ROAD CONDITION REPORT

Reference: ROADS ACT 1993 NSW, Section 115.

AS THE SHIRE RURAL ROAD NETWORK IS EXTENSIVE AND IN REMOTE AREAS, ROAD CLOSURE SIGNAGE MAY NOT BE ERECTED WHEN ROADS ARE CLOSED. SOME UNSEALED ROADS IN THE BALRANALD SHIRE COUNCIL AREA REMAIN CLOSED UNTIL FURTHER NOTICE.

ALL UNSEALED ROADS IN THE SHIRE ARE DRY WEATHER ROADS ONLY.

Balranald Shire Council Road Closures are now on NSW **Live Traffic**.

Motorists are advised to drive to the prevailing road conditions. Balranald Shire Council wastes valuable resources repairing damage done by vehicles using closed or wet unsealed roads.

If you disregard Road Condition Reports and Road Closures, offenders may be prosecuted and be liable to pay for any damage caused, you may not be covered by any Insurance policy that you have.

It is an offence to remove or relocate road closed signs, this puts other motorists at risk. Offenders will be prosecuted by the NSW Police Force.

Please ensure to check surrounding Road Condition reports as our unsealed and sealed road network connects with neighboring Shires.

NOTE: A Light Vehicle is considered up to a single 4WD vehicle, maximum GVM of 3 Tonne and does not include a vehicle with a Trailer or Caravan attached, TRUCKS are NOT permitted. Local Traffic is considered a single Light Vehicle owned by a resident who lives along that particular road NOT Trucks, Tourist, Camper Trailers or Caravans.

NOTE That the BALRANALD IVANHOE ROAD (MR67) is OPEN to ALL VEHICLES North of Clare. Road users should be aware that there will be some short delays where road maintenance is still ongoing.
